Why Donate?

Harmony Hall Centre for Seniors is funded by grants from the Province of Ontario's Ministry of Health, the Toronto Central LHIN, the United Way of Greater Toronto, the City of Toronto and the Federal Government. We also rely on donations from our members, friends and family to help us provide more than 1500 seniors with low cost transportation, cultural and social programs.

All donations are greatly appreciated. Any gift, large or small can make a difference in the life of a senior in our community.

How to Donate?

Gifts to Harmony Hall can be made by cheque or online through CanadaHelps.org. Please consider donating through one of the following options.

1. To give online by credit card go to CanadaHelps.org
2. To give by cheque please contact the office at 416-752-8868 or directly at our office at 2 Gower St.

Income tax receipts will be issued for donations of \$10 or more.

Just a friendly reminder that we require at least 3 business days to book your rides. If you need rides for the coming months please give us a call to book them. The more notice you give us the better.
